Kate Shaw

If the sell-out exhibition of Melbourne artist Kate Shaw's psychedelic landscape paintings at Fehily Contemporary in October is anything to go by, Shaw is an artist to watch in 2014. Her extensive 2014 exhibition schedule includes solo shows at Gippsland Regional Gallery, The Cat Street Gallery in Hong Kong, and at the Art14 art fair in London in conjunction with Fehily Contemporary.

Kate Shaw is represented by Fehily Contemporary, Melbourne; **Sullivan + Strumpf**, Sydney; Ryan Fenshaw Gallery, Brisbane; and Stephan Stoyanov Gallery, New York.
